

PIERRE ET PAPA

Languedoc and Comte Tolosan, France

Inspired by the fanciful tales of Pierre Renard and his father, Pierre et Papa is a compact range of high quality, well balanced whites, reds and roses made from grapes sourced through Southern France. With packaging influenced by old French advertising ephemera, Pierre et Papa's nostalgic feel is very much in tune with the desire to seek out honest value.

Dry White

From selected plots on clay and limestone soils in the area of Comté Tolosan around Toulouse in Gascony. This area benefits hugely from the influence of the Atlantic, giving freshness and acidity and making it perfect for white wine production.

Dry Rose and Dry Red

From selected plots across the Languedoc. In this sunny corner of France grapes can ripen to full maturity and express great varietal character. The sandy limestone and clay soils ensure naturally low yields, the perfect conditions for producing rich, concentrated, ripe grapes.
